

GREAT COW HARBOR DAY 2018

Sunday, September 16, 2018 12 to 5 p.m. (Rain or shine)

Dear Local Businessperson:

If you are interested in selling items **outside** of your place of business or somewhere in the Main Street area, please fill out this permit application and return it by August 31, to:

**Alison Howie, Chairman, Sidewalk Sales
Cow Harbor Day Committee
Inc. Village of Northport
224 Main Street
Northport, NY 11768**

As in the past, if you intend to sell any food items, please fill out the necessary Health Department forms and return them to Suffolk County Health Department *no later than August 31*. You are responsible for following the proper procedures and guidelines and ask that you follow these directions as the Health Department has become vigilant in its enforcement of local events. Upon approval of your application, a permit will be issued. Persons waiting until the last couple of weeks to complete the application delays the process for all participants and creates unnecessary burdens on the committee. **There has been no fee increase this year but fees will be doubled for late applications (after August 31st).**

Permit Application Fee:

| Non-Food Permit | \$50.00 |

Please make checks payable to: **The Great Cow Harbor Day Committee**
